

Fynder Booking System Set Up

Welcome to Flow Studio!

We aim to offer as much independence and flexibility for you with booking your classes, so all your bookings are made via Fynder

Logging In

You can log in a variety of ways:

- Via the 'Book your classes page on the website flowphysio.co.uk/book-classes (or you will find this under the Studio Timetable menu)
- Direct via our Fynder page fynder.io/book/flow
- Via our Facebook page facebook.com/flowphysio

How It Works

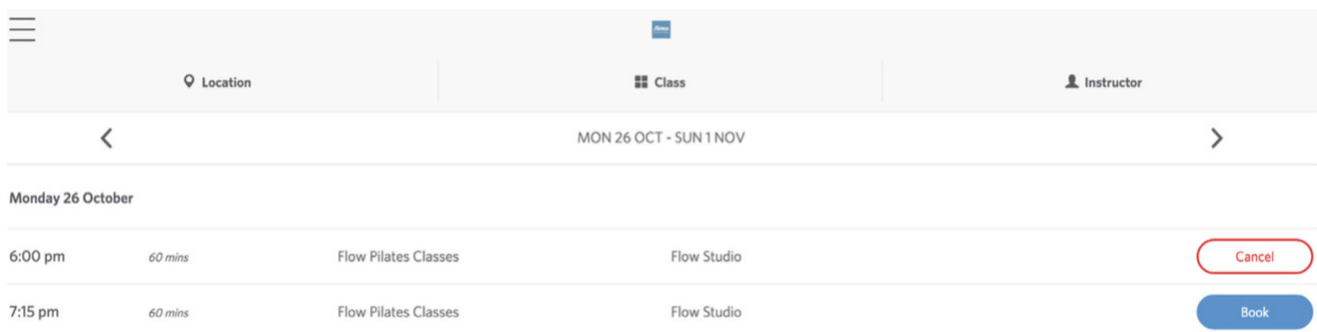

You may have been emailed a link to click on to set up your username and password. If you have not received this email, you can just set this up with the 'sign up' button when you first access Fynder

Once you have an account you will need to add credit. There is a 'menu' bar on the top left of the page which looks like this: 

From here you can view/add credits, manage your bookings and sync with your phones calendar. Please select from either 6 or 12 credits. Each class is one credit

You will see on the screen the studio timetable. The next available class will always show first. Any classes you are booked into will show CANCEL . Any classes you are able to book will show BOOK

To book into a class simply click on the BOOK button

Location	Class	Instructor
MON 26 OCT - SUN 1 NOV		
Monday 26 October		
6:00 pm	60 mins	Flow Pilates Classes
7:15 pm	60 mins	Flow Pilates Classes

You can then use the > button to move to the next week

The easiest way to manage your Fynder bookings is to book all your classes in advance. You can go in and cancel/change a class at any time. If you are unable to attend a class please log in and cancel

- If your chosen class is full, select 'wait list' and you will be notified when a space becomes available
- If you cancel within 24 hours it will use a credit
- The class and name of the instructor will be shown on the screen and any changes to class times
- Any further queries please get in touch info@flowphysio.co.uk
